QR Code Link to This Post HELP! Our family cat Mochi has sadly been missing for a while. He was last seen in the neighborhood behind Kapolei middle school. We sadly suspect he may have been stolen.

â€¢NAME: Mochi

â€¢GENDER: Male

â€¢AGE: 3 years

â€¢DESCRIPTION:

- FUR COLOR: white with brownish beige splotches on his body, and dark brown stripes on the head and tail. Fur length is short

-SIZE: Very heavy body weight, at full grown size, thick body fat around his body and neck.

-EYE COLOR: light blue

â€¢BEHAVIORS: very sweet cat, loves food, can be very whiny. Usually seen laying around or resting.

Me and my family greatly misses our sweet cat. If sighted or found, please email as clear as possible photos of the cat in order to determine identity. Whoever helps bring our lovable family member home will be given a cash award of \$70..
