I have no idea who he is referring to in the beginning but then he goes on to pick on Michael Stanley, while Michael is recovering from bypass surgery. Mr Downward certainly has balls- not. I would challenge anyone to be as prolific as Michael has been for how long? 40 plus years? When I attend a Michael Stanley concert, I Don't expect a flurry of 64th notes two handed tapping etc.i do expect good solid rock 'n' roll. And That's what I get, along with a band that enjoys playing together and entertaining their fans. Can Downward sell out his corner bar? Michael is still selling out venues

Perhaps musicians, like D. Spiral should support other musicians instead of cutting them down. Maybe He should be practicing instead of picking on his betters.

You can't make yourself look better by trying to make others look bad.
