QR Code Link to This Post Hi. My name is Michelle. I am looking to offer a few services that I am highly qualified to do. I have references upon request of my quality work and services rendered. I would like to fill my planner some work before the end of the year while I am awaiting conf of a few jobs Ive applied for. I may be able to continue after the new year depending on response to the apps and time available. At the moment these are some of the things I have been doing parttime. Household cleaning.. & extra hand to help with things you may not have time to do, Errand running, shopping, decluttering, Cleaning your patio areas, lawn cleanup(my 17 year old son will do), Pet walking & feeding. My work is always professional and complete. I can also coach you to loose weight & be more healthy, if you need help in that area. Im also able to do faux finsihing for Interior walls and thats a service I offer bc I am also an artist of high quality work. Please let me know if and how I can help you this month And possibily next year! Thank you, Michelle M
