QR Code Link to This Post Need some one willing to come to my Caldwell home prand help me with a few small projects. Possibly 8 hours at least once a week for now. I care for my dad with ALz at home and sometimes my work piles up to the ceiling. No heavy lifting needed but must be strong enough to perform household chores unassisted and expediently. I can pay ten or hour to start and if I see that my life is getting easier I will increase the hourly rate.
