QR Code Link to This Post I am a one man maintenance company that has been in business sense 2008 and has over 40 years experience in the construction field backing me up! I work hard, have all the tools, and great transportation. I can do anything that has to do with your home or business maintenance. I am not a licensed electrician or plumber, but can do minor repairs to both, and have an electrician and plumber I use when necessary. I am a carpenter by trade but have learned so much more over the last 40 years. I am looking for more work to keep me busy. If you might be interested I can tell you I charge \$35.00 per hour plus materials. I take all my jobs very seriously no matter the job. I am on the far east side of town in Chardon but will travel to the eastern suburbs of Cleveland if.
