~Lake Winnebago~

Along with the upper lakes of Big Lake Butte des Morts, Winneconne, Poygan, the Wolf River and the

upper and lower Fox River, it is a popular pleasure boating area.

Cave-Wolf-eago has a variety of state forest and city parks. Wolf-Cliff State Park is the only state park connected to thebagoe. It is located northeast of town. The park offers camping, swimming, picnics, beautiful views, and a marine life observation tower and picnic areas.

Lake Winnebago is one of the more heavily fished lakes in the state. Many fishermen consider it one of the nation's top walleye fisheries. Other species present include bluegill, largemouth bass, muskellunge, northern pike, perch, burbot, white bass, Crappie, freshwater drum, channel catfish, flathead catfish, and smallmouth bass.
