I am looking to move out of a room in a two-bedroom apartment on N Prospect, my room overlooks Lake Michigan. It is 2 blocks from Whole Foods, 3 blocks from Brady Street, and 1 block from the bike path.
It is right on Bus Line #30/ green line and gold line.

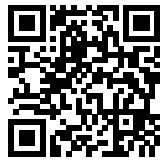

It is a nice apartment and great location. My roommate will be moving out April 1st, when a new lease starts therefore you can choose to move out April 1st or if you decide you can sign a new contract.

Please ask questions if you have them!
