Looking for a slender woman 18-25 for a quick and easy adult film shoot. Pays up to \$250 cash per hour depending on the nature of the scene. Regardless, it's nothing out of the ordinary. You could be shot by yourself or with someone - up to you.

Please understand this is completely confidential. Your face won't be shown at any time. You won't be asked to do anything you're not comfortable with.

To be considered, please send bikini pix - or nude if you're comfortable with it. I want you have complete privacy so you don't have to include your face in the pic.

This will be easy money for the right girl plus it's discreet and completely safe.

Thank.
