I'm looking for an attractive woman to ship clothing items to (you can keep the items I send). All I ask for in return is that you send me photos of you wearing or using the items I send. I will send these gifts every now and then (dresses, bathing suits, lingerie, etc) all you have to do is model them and take some selfies and email them to me. The clothes are yours to keep, of course.

I would prefer a woman who is fit and healthy between 18 & 45 years old.

If you're interested or have questions please reply to this ad and put the word "SELFIE" in the subject line so I know you're real. Please include recent photos, your sizes (tops, pants, dress, bra panties, shoes, etc.), measurements, age & weight.

Thanks for your.
