

# Havent found your ideal babysitter (South Dakota)

Location **South Dakota**  
<https://www.genclassifieds.com/x-257499-z>

I have been babysitting since I was 11 years old. I love hanging out with the kids! If approved by the parents we could go for a walk in a safe neighborhood, cook together, work on homework, and various other activities. I am happy to provide references if the family would like!
