Henry and Harvey are looking for a new loving home. Both guinea pigs are male, best friends and approximately 1 year old. They are kid friendly, small dog friendly; enjoy the occasional bath and having their nails clipped. Henry and Harvey love beginning the day with fresh fruits and vegetables and will devour most varieties with gusto. In the summer, they like to spend their days outside nibbling grass.

Henry and Harvey come with:

My First Home 3-Level Ferret/Chinchilla Cage, 30 by 18-Inch
Cage stand
Water bottle
Two food bowls
Small travel kennel
1 large opened bag of Drs Foster and Smith brand Timothy Hay
4 - 5lb bags of Drs Foster and Smith brand Premium Adult Guinea Pig Food

Retail value of all items and the guinea pigs is \$250+

Henry and Harvey are pets. They have funny personalities and are a great addition to a loving home. A small rehoming fee of \$50 is requested to ensure they will not become food.
