Check us out at Hi-FiveStudio.com or <https://www.facebook.com/hifivestudiowi?ref=hl>

Why Hi-Five Studio?! Simply because you want to make a great sounding record, in a professionally acoustically treated studio, with great microphones, instruments and gear, with trained engineers with audio degrees in a comfortable, laid back environment without spending a ton of money!

We have great hourly, daily and song package rates! We have amazing session musicians at your disposal. We offer in house catering to our clients.

We also do CD printing and duplication - from layout, design, barcodes, printing and packaging - Hi-Five is your 1 stop facility for all your needs!

Recording, Mixing, Mastering. Maybe you just want some real drums recorded on your tracks? No problem. Hi-Five's got you covered!

Check us out on Facebook, shoot us an e-mail, give us a call and schedule a tour. We got some great specials going on.
