Recruiting experienced owner operators with power units. We provide trailers, predominately flat bed. insurance, liability, cargo and general liability, NO FORCED DISPATCH. Our dispatch works with you to get you where you want to go. Tag 2290 and registration programs. We compute and pay all fuel taxes, maintain and provide trailers and all needed accessory equipment. Provide loading service. Maybe our biggest advantage is yard Diesel fuel on site and sold at .01 over our wholesale cost- today Jan 23,2015, our fuel for our owner/operators is \$2.11 per gallon and we provide fuel cards for on road purchases. We recap your logs, do your paperwork, etc. We understand that you are self-employed business people and that you are our boss, we work for you! We can encourage you to check out our references and our production records! Please contact us at with any questions or interested in working together as a team.
