you must know how to mail merge and use Windows 8.1 and can make appointments by telephone after letters mailed for new clients from mailed merge letters. you would be an independent contractor, not an employee. since females live in home where my office is, they do not want males. pay based upon results and and written in an independent contractor agreement. leave tel. # to be called to discuss before a personal interview. very relaxed and private home environment. hours flexible, no nights or weekends. potential above average income if you qualify. if hired, \$200 paid up front. some telephone training involved. a privacy agreement will be signed because of clients privacy and my in home naturist life style(look up if you do not know what this is). large home and possible reduced rent live in opportunity if you work with me on my computer. maybe 20 hours per week required. you will love working here. I am a naturist in my home. if you don't know what this is, look it
