Bagitos Cafe, located on Main St. in downtown Montpelier is looking for musicians who are interested in playing in our space for tips, food, and drink. Bagitos is proud to be Central Vermont's most active acoustic music venue and we are grateful to have lots of local (and not so local) musicians participate. We are looking to book Wednesday-Saturday evenings, 6-8pm as well as Sunday brunch, 11am-1pm. Email Soren with some samples of or a link to your music if you're interested in playing a gig at some point . Oh, and we do have an in-house PA system if that helps. !
