What's up my musical inquiries?

I am a drummer looking to start a rock band, I am a Christian I don't want to be around smoking or drinkers! I know clubs allow it but I prefer not to! I have been in many of bands I have experience in stage set up, touring to California and back, studio, recording live shows, and click tracks!

I am in my low 40's So to me age doesn't matter as long as you are very mature and experienced.

What I'm looking to play is in the line of You and me at six, three days Grace,chevelle,red, link in park is the best way to describe my way of playing! I play now for a church so Sundays are off due to we set up in a school and I use my drums there! I am a single father having my son every other weekend so I can't play every weekend! If this is something you want to try, please hit me up! Thanks!
