Molly is a darling grey Schnauzer who is very smart, loves to play fetch and is good with kids. She would make a great companion dog and hiking buddy! She is only about 3 years old and is currently being cared for by local animal rescue called Hearts 4 Paws. Her previous family said she can be a bit possessive of her human and may do best in a home without other dogs. She has lived with cats and tends to follow them around annoying them, but doesn't hurt them. A cat free home may be ideal for her, but not entirely necessary.

Molly's adoption fee is \$200. She comes vaccinated, spayed and microchipped. She is also house trained. Please contact Laurie at laurie@pawspawspaw.com for more information and to schedule a meet and greet.

Pictures coming soon! Or contact us and we can email them to.
