We are The Life Fellowship Church and we've just recently launched the second Phase of our ministry!!! We're experiencing tremendous growth and because of this we're in need of a musician/keybord player and atleast 3-4 praise and worship background singers to accompany our other band members. The kind of singers we're looking for are those that have a heart for worship, are sold out to God and in a committed relationship with him! We need people that will commit to being at services and rehearsals promptly and faithfully. We also consider ourselves a covering and hub to those making a move or transition from different states. We will gladly welcome you into our church family allowing you to serve in the area of your giftings while discovering the depth of your purpose! If this sounds like something you would like to be apart of or maybe you would like to receive more information please contact us at the number listed above.

-God bless
