

Mystery Shopper

Location **Texas**
<https://www.genclassifieds.com/x-257710-z>

I currently conduct mystery shopping with an industry-leading company called BestMark, and enjoy the assignments they provide... and the free services and extra cash is definitely a plus! It's free to sign up as a BestMark shopper and you are able to view the opportunities in your area as soon as you are hired into the system. The best part is that I get to provide feedback about the experiences I have at local businesses and I get paid for it!

Here is a link to their free application:
