I received this email from Melissa Megariotis today about an ad I have here on Craigslist for a 4 year old female French Bulldog that I am finding a new home for. Bullying is wrong and Melissa or anyone else does not have the right to BULLY and HUMILIATE people on here. Please don't put people down just for your own pleasure.

This is the email I received:

I am not even going to ask because i already know why your rehoming this dog... youve had her since she was old enough to be seperated from her mother, bred her for all shes worth, and now that shes no longer of use to her, you want her out of the house. That is sad and sickening and you can spew all the lies you want but i know that this is the truth. And to think the poor thing thought she had a forever home with you.... humanity sickens me.
