This will be the best part-time job you ever had.

We are looking for charismatic, hip, well-groomed fun people with a bit of fearlessness to perform at everything from Corporate Events to Weddings and Bar Mitzvahs. NO EXPERIENCE NEEDED as we can train the right individuals. You must be able to light up a room with your energy.

As part of our services, we provide DJ's, MC's, sound systems, decor lighting, video screens and other services. We are regarded as one of the most dynamic, fun, mobile entertainment companies in Arizona, and we have been providing first-class, worry-free events since 1987. You can see us in action here:

and here: <http://www.youtube.com/user/SKMDJsAndLighting>

Must have Saturday availability for events, and Tuesday nights available during training. Must be located in or around east valley (we are located in Scottsdale), have your own reliable vehicle and truly be outgoing and not afraid of being on stage.

We do all kinds of events - bilingual (Spanish) is a major plus! If you know a variety of Mexican music categories, please call our attention to that.

Perfect job for dancers, dance instructors, actors, waiters, cruise directors or out-going professional personalities.

We provide all the training, equipment and a great group of performers that you will learn from as well as make a bunch of new friends.

If you fit the description and are interested, please email and tell us more about you. Please do not waste our time if you do not fit the description.

Brief descriptions:

Disc Jockeys: Must have clean look and be willing to be trained in playing all types of music from oldies to the newest hits. Our DJs perform at all types of parties and help coordinate events.

Lighting designers / technicians: Create amazing environments through lighting, changing the mood throughout an event through lighting and audiovisual aids.

MCs: Usually start with us as DJs. These performers have terrific mic skills and really guide our event teams. Must be willing to lead others in dances. This is also our highest paid position.
