Need some crown molding or would you like to upgrade your staircase? How about a new mantel? Exterior door jambs rotted? I can replace the bottom portion of the jamb and the brick molding with western red cedar! Need a new front door? Western red cedar shutters? Whatever you might need, give us a call. We have been in this business since 1973. If it has to do with wood, we can probably help .Would consider barter. References, insurance, licensed. Please call
