

Vocalist look for any genre of music (Fayetteville)

Location **Arkansas**  
<https://www.genclassifieds.com/x-257883-z>

I am an 18 year old male looking for a band to sing for. I have tons of experience in show business, and I have many connections to get into different gigs. I'm very down to earth and I play 9 instruments as well. I have played most of them for about 4 or 5 years. Text or call me if you have anymore!
