Location **Alabama**

I am an 18 yr old male student, living in a 3 bd/2 bath house in Phenix City, right over the Alabama line. I am quiet, and friendly, like to video game. Looking for someone to share responsibility for rent/utilities. There is highspeed internet,cable,water,gas, and electric plus rent, and your share would be 500.00 per month. The house is clean, hardwood floors, you would have your own bathroom, as well as livingroom area, as there are two, and I only use one. We would share the kitchen, and each be responsible for our our food, but the kitchen is furnished with necessary items. I can work it out to have a bed in the room for you if you do not have one. If you are a smoker, you must agree and sign agreement to only smoke outside, as there is no smoking allowed inside. I do not do drugs. Looking for March 1st. If interested, please email with your details. Not interested in any freaky things, this is a legit roommate situation, I am just trying to show my parents that I can be responsible and stay in our home since they are moving out of town. Thank.
