As you can easily tell from the photos above, Harley is an experienced Ninja cat. She has been honing her Ninja skills for the past 4 years. She is highly skilled at disguising herself as a table lamp and her lovely black and white coat lends itself well to lurking in the shadows ready to pounce on unsuspecting lasers, bugs and toy mice.

In addition to her intense Ninja abilities, Harley is very adept at stealing hearts. When she is not busy in her silent vigil guarding hearth and home from potential threats, this pretty little cat loves to purr and snuggle, snuggle and purr. She is the purr-enial kitten! Playful, purry and sweet.

Harley is very healthy. She has been spayed and is up to date on her shots. She is very clean and well behaved. Not picky and lots of fun.

Will Harley become the next YouTube Ninja cat star? Only if you adopt her and hold the camera! Please offer this AWESOME and very mysterious cat a home today. Fill out our application form here: <http://petprosservices.com/adopt/> There is a \$25 adoption/rehoming fee.
