Meet Beau, a sweet, fun dog who loves attention. Pet him once and he will be your friend for life. Beau is a gorgeous White Lab mix. He is 9 years young, very healthy, neutered and up to date on his vaccinations. He gets along very well with other dogs, cats and children. Beau is an active dog who loves going for long walks, especially Runyan Canyon.

Beau is a very loving dog who at one time helped a young boy endure cancer treatments through his calm, faithful presence. Now Beau's family are dealing with serious financial issues that have forced them to sell their home and move to a small apartment. They are in desperate need of a new home for Beau, and are heartbroken to have to make this difficult choice. They are hopeful that a home can be found for Beau with a family who will cherish him as much as they have.

They are looking for a home in which Beau will get loving attention. preferably, a place where he will be taken for walks or hikes regularly. They hope that his new family will love him spend time with him.

Beau has a bed, food & water bowls and a supply of chew -treats that will come with him. If you would like to offer Beau a loving, forever home, please fill out our online adoption application form at <http://petrosservices.com/adopt/>. There is a \$75 rehoming/adoption fee and supplies will be included with.
