...Or Facebook, or Electronic Arts or Sony Playstation, or LinkedIn, or any number of cool jobs that just happen to be on the Peninsula? I've heard it all:

It's boring -- there's nothing to do
 newsflash -- the city is only 25 mins from my driveway to the 5th st garage in SF

Everything is too far from everything
 guess what?!?! -- We love the space

I would have to buy a car. . . .
 waaaa, (sniffles), waaaa -- now I need to get from point a to point b like a grown-up

Just kidding guys. . . you don't all sound like Smug, Elite Localist who like to smell your own farts. However, what we have to offer is a clean environment with lots of trees, mountains and water. Lots of hiking spots, cool little shops and local Downtown Redwood City only 5 mins away / Downtown Woodside only 2 mins away, Stanford only 10 mins away, and your beloved city, San Francisco, only 25 mins from my street to the 5th street garage -- as mentioned earlier.

So without further ado... THIS IS THE COOLEST PLACE LISTED ON CRAIGSLIST!! Are you a male? bi / masc gay dude? Or are u Str8 and just don't give a shit? If you've got your shit together; decent job

(STARTUP GUYS, EDUCATED MILITARY DUDES, ENGINEERS, private equity & other tech nerds step the line up to bug free, or est. in the area. Here, we have more space for your bucket list. Some call it a location to the San Francisco Area. For those who live in the area, it's a place where you can be chill and not have to worry about bullshit. CAUTION: this is not for you if you are posed to seeing dudes walk around the house in their underwear / hot tub naked, etc.

We:
 Are energetic and enthusiastic engineers, sports jocks, nerds - dudes!! We're just regular young guys (both gay and str8) who play video games, watch sports, chill in our boxers when it's too damn hot or just wanna be cozy. Sometimes, we go on trips together - SNOWBOARDING, Vegas, music festival, Beyond
