

x0024800 Small office with parking lot (Palmer Wasilla Highway)

Location **Alaska**
<https://www.genclassifieds.com/x-258078-z>

If you want to run your own car lot or already do and want to expand give me a call. This is a small office with electric and phone and room to park a few dozen vehicles. If this would work for your business that isn't a car lot that would be fine as well. Thanks.
