I have been helping families with their children since 1991. I am certified in infants and toddlers and have been running a home child care for almost ten years. small group 4 to 5 children. I have lots of reference letters. My program focuses on love, safety, and knowledge gain. I have a room dedicated for the children where we play, have circle time and interact in various learning activities. I understand every child is different and therefore focus on teaching them one-on-one one to fit their needs. I have a fenced backyard with a swing set. I have 2 openings, full time or part time. My home is pet and smoke free. Please give me a call
