I am a stay-at-home mom of two boys, ages 3 years old and 20 months old. We would love to spend the day with your little one(s)! We do not watch TV and spend our days actively engaged in activities outside and games/arts/free play inside. On Mondays we almost always attend the story time at Farmington Library, so if you feel comfortable letting me drive your child(ren) they will participate in that as well! Our home is smoke free and clean.

I would like to watch one or two children in addition to my own. Whole food meals and snacks are included, and I will work to maintain your naptime routine for continuity. References available, and of course we would meet and maybe have a play date or two before officially starting to see if it is a fit for all of us. If your little one is due to start preschool this fall, we can discuss my homeschooling him/her along with my own!
