Hi, my name is Jeffrey Thomas and I have 24 years of teaching experience in private lessons for guitar, bass and ukulele.

I am teaching beginners to advanced players as young as 7. Learn to read music, tablature, strumming patterns, music theory as well as how to play your favorite songs to keep the lessons fun and relevant.

I will provide notation and offer a 30 minute free lesson so we can meet and make sure you are happy. Scheduling information is on my site as well as 4 archives of free video lessons with tablature!

 Hope to hear from you soon!
