Hello!

My husband and I are looking for a reliable, trustworthy dog walker for our 1 1/2 year old dog, Mosby. Mosby weighs 38 pounds, and is the cutest, friendliest little guy in the world! He loves all people as well as other dogs.

We both work very long days, so are looking for someone to come let Mosby out of his crate around 11:30am, take him once around the nearby neighborhood park, and put him back into his crate. This loop takes about 45 minutes.

We have two criterion we are trying to meet:

- 1) \$10 for the 45 minute walk
- 2) Some type insurance and/or bonding on your end

If you meet these criterion and are interested in setting up an interview, please let us know!

Looking forward to meeting!
