2000 Jeep Wrangler Sahara
4.0 5 speed
Hard top
Tan/green interior
142,xxx miles
Textured tube bumpers
Cd player/ radio
CB radio ready **has mount for antenna and has mic. I don't know what else would be needed to make it functional**
Fresh oil/oil filter as well as wiper blades and rain X
Fog lights
Colored Sahara fenders
the tailgate - my wife had neglected to close it all the way so when I went around a corner it swung out and snapped the hinges... Have original tailgate as well as a used undamaged one. I have the Swag off-road drop down conversion kit for it. Everything included.

Runs and drives great. Nothing more American and patriotic than driving an American made icon through our nations capital(or wherever you are from) the Jeep culture is worth the price of admission itself. No accidents or hardcore off-roading. Sad to see her go but it's time. \$7600
