This is a 2010 model New Holland Tc 40 40hp diesel 4x4 with only 46 hours.....Like new in every way. Cost 37000 new. Comes with a quick detach front end loader with skid steer style quick attach bucket, removeable toothbar on the bucket, frame mount backhoe that comes off in minutes and you then can add 3 point hitch attachments to the rear. Tractor has no issues, still has plastic on all the controls, and I am also including a brand new fork lift attachment for the front end loader.....all this for 26,900.00 total delivered to your home for free. Please give me a call at

if you have any questions. I can accept credit cards for payment and can deliver to you without you having to come here to give a deposit, just gibve me a call and I can deliver to you right away. I have other 3 point hitch attachments as well like a bush hog, box scraper.....
