I have a beautiful 2001 Honda Civic for sale for \$4500. The car gas a four speed automatic transmission and is clean inside and out and mechanically stable with no problems what do ever. The car has 117,522 miles on the body and engine. It has a four cylinder V-tech engine which are made to last forever. It has two new tires on the front and the rear tires are in good condition. The timing belt, water pump, and all tensioners were replaced 7,000 miles ago. Oil changed regularly changed every 3,000 miles. If your interested give me a call at
