Selling a really cool Marvel Comics Universe superheroes poster! This poster is a RARE ORIGINAL VINTAGE 1985 COMIC BOOK SHOP DEALER'S PROMOTIONAL POSTER featuring THE MIGHTY AVENGERS! It's rare because it was NEVER FOR SALE TO THE PUBLIC, and produced in VERY SMALL QUANTITIES! It's a nice size poster that measures about 34 inches by 22 inches.

Here are the Marvel comics that are on the poster: CAPTAIN AMERICA, IRON MAN, HAWKEYE, HERCULES, MOCKINGBIRD, the woman version of CAPTAIN MARVEL, THE VISION, THE SCARLET WITCH, HERCULES, THE BLACK NIGHT, THE WASP, STARFOX, WONDER MAN, and TIGRA THE WERE-WOMAN. As you can see the poster is folded, (not rolled), which is totally normal for promotional posters, because that's how they were distributed to comic book shops.

As far as the condition, I would consider it in MINT condition. There are NO pin holes, tape or tears. It's NEVER BEEN DISPLAYED and has beautiful colors! Don't miss out on this one! It will look AWESOME framed!
