

# Does Your Band Need Performance Photos (Lehigh)

Location **Maryland**  
<https://www.genclassifieds.com/x-258532-z>

I am a photography student who is new to the area and looking for a few bands to photograph for practice. I have done several bands from Baltimore, MD and each time has been a learning experience. If you are interested in having photos done while you perform at your next show, please let me know. All it will require from you is a ticket and/or (press pass if needed) for me to gain admittance to the show. I will send the photos to you via Dropbox or disk, which ever you prefer. All I ask in return is permission to use the photos for class assignments and possibly my website and/or Facebook. Thanks!
