Hello I am wondering if anyone has any gently used baby and kid items. Baby is 7 months boy and 10 yr old girl. They are on there way up from Alabama to my home. My friend is leaving a domestic battery situation. In September he put her in hospital. Of course she went back as we all do at least once. Anyways she will be here in 14 hours give or take. I could really use the communities help in helping my friend. I can only give her a roof and food as I'm a single mom. She had to pack quickly and had to leave everything behind including crib, high chair, everything. She has only enough money to make it to her safe destination. She should be arriving around 9 am give or take. Please help. I have already contacted everyone I know. Also I'm sure she will need numbers to all sorts of places. EIC etc. I live in north Kansas City/Gladstone. Thank you. God.
