Hi
Did you for get your watch at Cowell's surf shop? On Saturday
I found a men's black watch with black rubber strap. Looks like who ever forgot their watch left it after coming in and rinsing sand off after surfing by the stairs.
I will turn it in to the surf shop, if I don't get a response by Monday. Those who respond please describe the watch such as the maker's name or type of watch.
Happy to return the watch to it's rightful owner.

Email is the best way to.
