I am looking for house/room-mate beginning February 1st.  
Reasonable rent and utilities/cable/internet (Google Fiber);  
Off-street parking is available on property.  
Private good-sized bedroom; common rooms include large living/den area, spacious kitchen with dishwasher and all amenities, full bath.  
Full backyard, front porch and plenty of storage space in attic, basement; washer and dryer.  
I am a full-time university grad student committed to my studies and outside work and seek a responsible, serious, quiet, considerate housemate.  
I respect the space of my roommate and would need the same. No parties or crazy late nights.  
Rent includes everything like heat, Water, Trash, Google Fiber cable and internet, and electricity.  
House is fully furnished; all you really would need is stuff for your bedroom.
