As a rising entertainment company, we are developing an elite brand of entertainment that Delaware has never seen before! Ladies, if you have experience as a sexy print model, mild escort, or any type of exotic dancing history this is an opportunity to create a true BRAND for yourself nationally and possibly globally. You'll be booked for personal celebrity parties, clubs appearances, corporate events, and even dance performances. This is not the average opportunity, so keep that in mind and come with a positive attitude. Major money \$\$\$\$ to be made of course, but creating a name for yourself is always the game!!!

Send pics and your contact information immediately for consideration. Compensation will be discussed via.
