One corner room in a large Victorian house is available for rent immediately.

Ideal location! The house is on a nice tree-lined street in the Porter Square area of Cambridge, just a 5-minute walk from the Porter Square train station. Davis Square and Harvard Square are both a 20-minute walk from the house. Restaurants, gyms, a 24-hour pharmacy, a 24-hour Shaw's Supermarket, and a bookstore are all within walking distance.

House features include:

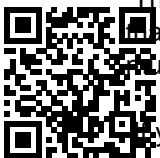

- â€? Free high-speed wireless internet
- â€? Free laundry (a washer & dryer)
- â€? A renovated kitchen with beautiful marble countertops and stainless steel appliances
- â€? A huge & gorgeous common space
- â€? Storage space in the basement
- â€? A deck to enjoy the sun when it's warm out

Not having a car is a requirement due to the parking situation. One cat lives here, so you must not have pets yourself and must not be allergic to cats.

The room available for rent is on the 2nd floor and is furnished with a bed. Rent is \$900 per month plus utilities, which are about \$50 per month and may be a little more in the wintertime. You will share a bathroom with just one other person.

The renters are mainly in their 30s and are very nice, friendly, quiet, and respectful people. They have a pizza dinner together once a month on Sunday nights. Other than that, they do social events like casino nights, everyone has their own room in the ground floor, an active neighborhood, and a great business district. Music, tennis, and landscaped yard and a new roof, too. Employers.

If you're interested or have any questions, please contact me (the landlord) and include some information.
