Meet Matilda!

A clownish, playful & intelligent Pit Bull mix, covered in cow spots and with adorable ears, Matilda is 1 year & 7 months old. In her foster home, she has proven herself to be reliably housebroken, affectionate, and a quick study. Matilda also shows some fear with strangers & is quickly scared by new things. She is in training to increase her confidence, and will need a home with someone willing to consistently work with her and continue with her training. Matilda wins new people over quickly, and is a sunny, people-oriented dog once she is over her fear. She loves chewing on things, loves walks, and is quickly learning not to pull on the leash. She is good with strangers and kids (and even strange kids) and may be good with small animals.

Contact us today to arrange a meeting with Matilda! Please tell us a little bit about yourself in your reply (living situation, other pets, children, etc.), and please provide a contact email address or phone # where you can be reached.

Thank! :)
