

# Need Rides To The Jail For Visitation (Females Only) (Dundee)

Location **Iowa**

My husband is staying in the luxurious amenities Douglas County Correctional Center provides for the next couple of months. I don't have my license right now and finding ways to get downtown twice a week to see him is sometimes difficult. I thought maybe someone else who visits their loved one might take me along if I give them some gas money. I'm not too far: between Midtown & Dundee.  
Thanks!
