

# Chihuahua Male Puppy (Philadelphia)

Location **Delaware**  
<https://www.genclassifieds.com/x-258895-z>

He is 3 months old. Born on October 20, 2014 with registration papers. Still needs his shots. He has a great personality with other animals and people. He loves to play and be held. There is a rehoming fee of \$300, which I don't think is rediculous, so please dont be selfish and flag the ad because you dont agree and block others the opportunity the chance. If interested, please call me any questions. Thank.
