

ConClassification LOOKING FOR A AUDIO JOB THAT YOU CAN DO AT HOME (Delaware)

Location Delaware https://www.genclassifieds.com/x-258896-z

For three years now I have been earning my living by simply getting my songs to companies that use it for television series and films. The best thing is I do not do the marketing, negotiating, or contracts. I simply send my music and they send me royalty checks \$

Learn more on my site: http://beatsforcash.org/s/?405545

If you like it please send it to your musician!:)
