Looking for a FEMALE to assist in the management of my home office- I am a Director for Mary Kay Cosmetics. www.MaryKay.com/MaryM
(sorry men - but it is too close quarters for a male and against my Christian Beliefs to be alone in this type of setting - my Prince Charming won't approve either -)

May need two different ladies.....???

THIS is my thoughts/idea -

a UCF college student who can pick up children from TMA in Oviedo at 3pm and work 2-3 days a week for a few hours. Maybe a Saturday or Sunday. Do computer input and print shop work. Inventory audit and check in orders from Mary Kay. Misc Office stuff.

or a.... Mom who can work while her elementary age kids are in school. From 9-2 a couple days a week - flex time - make extra "pocket money" -

I have allergies and am allergic to smoke - since this is a home office - no smokers please. The children also have 3 month old Papillon puppies- so dog lover /liker needed.

please send resume or personal info to MaryM at Marykay com (craigslist doesn't allow email addresses in body of message - figure it out??)
