Hello, hopefully this finds the right person. I am a drummer/instructor and drum book author who is using Finale and I can only go so far. I need help to finish my books, so I can get them published. There is not a lot to do, but I will gladly pay you for your time. It may be helpful if you are a drummer, but not necessary. If you know Photoshop, even better! I will travel to Boston/Berklee if need be. Please contact me through this website or call me at (781) nine53-0five49. Please include your name and number so I don't SPAM you!.
