

Hunting() Dog in search of owner (Kokee)

Location **Hawaii**
<https://www.genclassifieds.com/x-259044-z>

Lost male dog, easy to count his ribs, behaves skittishly, but obviously drawn to food. Looks like he has set up camp near the picnic table, 100 yards from the intersection shown in photo. Also saw him headed down the road towards Kawaikoi Campground, returning shortly thereafter (doubtful he made it to the campground in such a short).
