

Free Graphic Design for Bands

Location **Hawaii**
<https://www.genclassifieds.com/x-259054-z>

Hey guys,
 You've got the talent, you've got the music, you can tell your story but is your promo material a little less impressive than it could be?

I love doing work for bands because I'm a musician and a music lover myself.
 My services are FREE. No strings attached!

Shoot me an email at Julian Day Graphic Design if you'd like to discuss a promo plan.
